Dear everyone,

Please be informed that Management has issued a new rule regarding the downpayments from NEW clients.

Effective immediately, all cheque payments representing downpayments need to be cleared, before production will start. This shall be strictly implemented for ALL new clients, and all existing clients who have a history of bouncing cheques.

Everyone is advised to inform your respective clients, as NO exceptions shall be entertained regarding this matter.

For your guidance and strict compliance.

Regards,
Nica Yu
